

# SHIRT SALE

**Raise Money and Show Pride!**

## What is it?

**Goal:** Sell as many shirts as you can!

**How:** Design some awesome Unified Champion Schools shirts! Mark up the cost slightly (selling for \$12-15 per shirt is recommended) and take orders for shirts. Not only will you raise money, but you will also be raising awareness of your club and acceptance every time a student wears the shirt.

Make sure to use SONC vendor for best price. Contact your Youth Initiatives Director for this information.

### Materials needed:

Order form

Envelopes to collect money

## TIPS

### Collecting Money

Collect money before placing shirt order. This allows you to have the money to pay for the shirts and stops people from changing their minds.

### Branding

Make sure to use proper branding. Check with your Youth Initiatives Director before placing order.

### Collecting Orders

Set up a table at lunch. Also have club members carry around order forms.
