## **Medical Physical Examination** - To be completed by practitioner only.

## MEDICAL ELIGIBILITY FOR SPORT (TO BE COMPLETED BY PRACTITIONER ONLY)

Licensed Medical Practitioner: It is recommended that the practitioner review items on the medical history with the athlete or their guardian, prior to performing the physical exam. If further medical evaluation is warranted, the practitioner must refer the athlete to a specialist and reassess the results from this examination to determine eligibility for participation.

Medically eligible for all sports or for sports listed: \_\_\_\_\_\_\_ without restriction.

Medically eligible for all sports or for sports listed: \_\_\_\_\_\_ with recommendations for further evaluation or treatment of: \_\_\_\_\_\_ Not medically eligible pending further evaluation of: \_\_\_\_\_\_ Not medically eligible to participate in the following sports: \_\_\_\_\_\_ Not medically eligible for any sports

I have examined the athlete named on this form and completed the preparticipation physical evaluation. The athlete does not have apparent clinical contraindications to practice and can participate in the sport(s) as outlined on this form. If conditions arise after the athlete has been cleared for participation, the physician may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete (and parents or quardians).
